It takes a Village (and at least \$1,000 a day) to sustain Last Hope's programs

Dear Friends,

Times are tough. More and more homeless animals need **LAST HOPE's** help. Your membership is essential to keeping **Last Hope's** rescue mission alive. Currently it costs about \$1000 a day to provide veterinary care for our foster pets; run our dog and cat adoption centers; and support our Fix-A-Feral programs, available to the Long Island public.

Therefore, **LAST HOPE, Inc.** cordially invites you to become a member of our "Village". If you are already a member, the New Year is time to renew. This is the only renewal notification you will receive. Please renew now, or you can wait until your membership expires as noted on your address label. **LAST HOPE, Inc.** is a not-for-profit tax-exempt organization dedicated to the rescue of stray, abandoned and death-due pound animals. Your membership is tax deductible.

As a member of **LAST HOPE**, you are entitled to vote for the Board of Directors. The Board sets the policies of the organization. Only members in current good standing can hold Board positions. The dues collected from this Membership Drive help to maintain and expand our many services to pets in need.

We hope that you will want to join **LAST HOPE** as an official member. Please choose a membership level on the coupon below and mail this form and your check back to the address listed.

As we approach our 30th year of animal rescue work, thank you so much for helping to make **LAST HOPE** a vital "Village" of which we can all be proud to be members. Please visit our website and consider donating a few hours at either our dog or cat adoption center.

Your membership helps us continue to save lives!
